## 4. Implementation and Results

The present product PawCare it is an article in the sense of § 2 (6) No.7 LFGB.

### 4.1. PawCare

#### 4.1.1. Packaging layout

#### 4.1.2. Assessment of the declaration of PawCare

According to available documents, the product contains non-ionic surfactant, and therefore the product will be subject to the WRMG and DetergenzienVO.

In accordance with the DetergenzienVO (EC) No 648/2004 and regulation of washing and cleaning agents act (WRMG) the following informations have to be labelled:

- name and trade name of the product
- name, trade name or trademark and full address and telephone number of the distributor
- address and email address, where available, and telephone number where the data referred to Article 9, paragraph 3 are available
- labeling of ingredients, instructions for use and precautions
- website with the publication of the ingredients

The ingredients are labeled correctly.

The instructions for use and precautions are labeled. Furthermore, a website labeled on the packaging, where a list of ingredients is available.

The product is not classified as a biocide.

Note: The declaration to the Federal Institute for Risk Assessment (BfR) required by § 10 WRMG is missing. Furthermore, the telephone number of the distributor is missing, this has be complemented.

**5. Result:**

According to the kind and extent of the performed check of documents and labeling the test item Paw-Care meets the specification of the DetergenzienVO (EG) Nr. 648/2004 and of the Wasch- und Reinigungsmittelgesetz (WRMG) and under remark of the labeling, there is no restriction of marketability.
